Sir:

Responsive to the Official Action of October 3, 2002, please amend the above-identified application as follows:

IN THE SPECIFICATION:

Page 12, replace the second full paragraph as follows:

C1  
--The present invention also relates to the use of a peptide compound for manufacturing a medicinal product, in particular intended for treating cancer, particularly solid tumors, especially carcinomas, melanomas, neuroblastomas and neck and head cancers, preferably renal carcinomas. This
